ABOUT THE INSTRUCTORS

“...providing exposure to the best softball and baseball environment this region has to offer...”

This fun, but instructional summer camp is for everyone! From house league, select or rep player looking for practice and fun this summer, as well as the beginner who simply has a passion for the game. Skill development through fun games and drills, positional play and game play are all part of our plans for this fun week of baseball. Outstanding mentorship and skill development by instructors and coaches who wish to pass on their passion for the game of baseball.

Drills and skills, hitting, position play as well as speed training and conditioning will all be part of your week at the Competitive Edge softball camps.

Nigel Wilson

This former MLB player was signed to the Blue Jays and then later to the Florida Marlins, Cincinnati Reds and Cleveland Indians. He has been hands on here at the Competitive Edge since its inception in January 2008. He brings all his years as a pro player as well as over 10 years of coaching experience to our camps based in the Durham region. He has mentored and developed kids from little league right through to pro ball and continues to be

active in the Durham region promoting his love of the sport.

Marc Picard

Marc is the current Pitching Coach and Technical Director of Baseball for the Team Ontario Sophomore 16U's. He is bringing his over 30 years of teaching and coaching experience to our elite camp this summer. Truly the most sought after pitching and catching instructor throughout all of Durham Region and beyond, the former New York Yankee Scout is the only 2 time winner of The Baseball Canada Coach of the Year award.

Geoff Whent

Geoff's accomplishments in baseball are many. He is presently an associate Scout with the Atlanta Braves and has held this position since 2002. Geoff has managed the Team Ontario 16 and 17 year old elite team and is currently employed as a teacher at Sinclair Secondary School in Oshawa where he also runs the baseball program.

**New
Feature!**
